## Dear JANJA,

Thank you for having registered to the **My Privilege** application, which offers you all the information you have until now been able to access only during your visit to the Hit casinos.

You can check your points' balance, your available comps, free play, the current offers in our centres, and the special offers based on your card level. In order to give you the best possible experience, the application also offers you user-friendly room booking at discounted prices and quick access to information about offers, privileges, and services.

You need a password in order to access the data. Click here to set your password:

SET PASSWORD

A form will open, in which you enter the selected password twice and then click the "change" button.
